Grundform. A note

Grundform is a collection of nine small objects composed from the circle, the square and the arch, each reduced to one clear gesture of Bauhaus geometry. Hand-laid in fiberglass, the pieces carry crisp edges and generous volumes at a weight that ships easily to any suite, lobby or residence.

Each piece is a 3-4 mm hand-laid FRP shell finished in matte white, matte black, signal red or a brushed brass-look lacquer, sealed for daily use. Edges are closed and sanded by hand, so there are no sharp returns, thin fins or fragile projections.
