WHAT WE CUSTOMIZE

Start from our designs, or start from scratch.

Colors

Any solid or palette-matched color, including your brand colors.

Finishes

Stone, plaster, concrete, bronze, gloss and matte color.

Sizes

Scaled up or down while staying light, under 5 kg per piece.

Branding

Your logo, name or pattern built into the form or the finish.

Bespoke sculpture

A new piece designed from your idea, mood board or sketch.

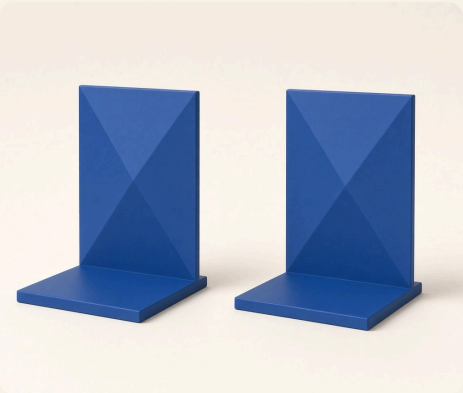

Sets & editions

Matched sets across rooms, floors or every store in a chain.

ONE FORM, MANY FINISHES

The same bookend, four personalities.

A single form can be finished in color pop, raw concrete, Bauhaus primaries or warm walnut tones. We match the finish to your interior or brand.

Fold Bookends

THE PROCESS

From brief to delivery in five clear steps.

01
Brief
You share the space, the brand, quantities and the feeling you want.

02
Concept
We send concept renders and finish options for your review.

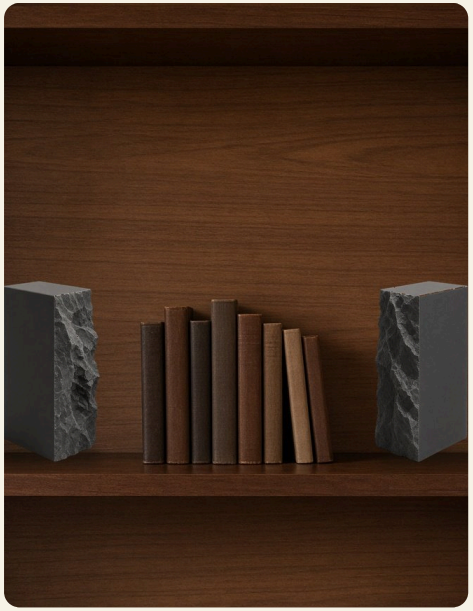

03
Sample
A sample or finish swatch is made so you can approve it in hand.

04
Production
Each piece is hand-laid, finished and checked one by one.

05
Delivery
Packed piece by piece and delivered ready to place.

USE CASES

Where custom pieces work hardest.

Hotels

Lobby sculpture, suite accents, corridor niches and signature pieces guests photograph.

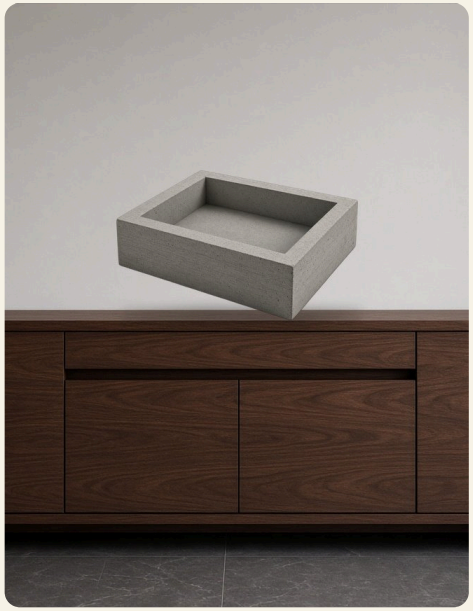

Cafes

Shelf objects, counter pieces and bold color moments that become part of the brand.

Offices

Reception sculpture, meeting-room objects and branded gifts for clients and teams.

Retail displays

Window props, plinth pieces and display forms that frame your products.
